

## **THRASHER GOLF® TO EXHIBIT AT 2026 PGA BUYING SUMMIT AT OMNI PGA FRISCO RESORT & SPA, JULY 26–29**

Nampa, Idaho (May 6, 2026) – Thrasher Golf® announced today plans to exhibit at the 2026 PGA Buying Summit, taking place July 26–29 at the Omni PGA Frisco Resort & Spa in Frisco, Texas.

Thrasher Golf® will showcase its line of durable driving range equipment during exhibits on July 28–29, including the Innovator® golf ball picker line, Twister® golf ball washers, replacement picker disc sets, and range accessories. Company representatives will also participate in networking opportunities and buyer engagement events throughout the Summit.

“We’re excited to connect with golf facilities, management groups, and industry professionals at the PGA Buying Summit,” said Melissa Thrasher of Thrasher Golf®. “The event gives us an opportunity to showcase what has guided our company since 1980 — durable, USA-made equipment, straightforward service, and the belief that dependable equipment and long-term relationships are built the same way: with consistency, reliability, and standing behind your name.”

Bringing together PGA Professionals, golf buyers, facility operators, and industry leaders, the PGA Buying Summit serves as a valuable platform for networking, product discovery, and developing business relationships across the golf industry.

Taking place July 26–29 at PGA Frisco, the Summit brings together golf professionals, facility operators, management groups, and industry exhibitors for four days of networking, buyer meetings, educational programming, and product showcases focused on supporting golf facility operations and industry growth.

Designed to foster meaningful connections and drive mid-season business, the Summit delivers a focused, high-impact environment for networking, discovery and commerce. Visit [PGABuyingSummit.com](https://PGABuyingSummit.com) for event details and industry-only registration.

### **About Thrasher Golf®**

Thrasher Golf® has been manufacturing driving range equipment in the USA since 1980. Family-owned and hands-on for over four decades, the company designs and builds durable golf ball pickers, golf ball washers, replacement picker disc sets, supplies turf mats, and range accessories trusted by golf facilities throughout the industry and still made in North America. ### **About PGA Golf Exhibitions**

The PGA Show and PGA Buying Summit are organized by PGA Golf Exhibitions (part of RX) and the PGA of America. Since 1954, the PGA Show has grown into the largest annual business event for the global golf industry. Together, the PGA Show and PGA Buying Summit support the golf business by providing opportunities to showcase new products, connect with buyers, build relationships, and explore industry trends.
